Sandy Sumsion with President Frank

President Frank welcomed members and guests Sandy Sumsion, a past member of our club and now with the Rotary Club of Roxby and AG for District 9500, and Mateus Da Silva, and also our guest speaker, Art show Convenor, Elizabeth Gagliardi to meeting 2274. He made a special mention of our new Rotarian Connie. This week is one of our biggest fund raising effort of the year, the art show. Opening night is on Friday 22. It is open to Rotarians, invited guests and sponsors. The art show is a huge PR exercise in our community, and our involvement with it. He thanked all the people who have helped in the past and present because we have made it a success year in and year out.

There is no meeting here next week as we are sponsoring the charter of the Rotaract club of Sturt on May 28 at the Hackney hotel. Our next meeting here will be on June 1.

President Frank's thought of the week. "If I could say it in words there would be no need to paint"

There are still plenty of Entertainment books for 2015-2016 available from **Gaetano Ceravolo** gaetano.ceravolo@raywhite.com or phone 0428 778 007. The cost is \$65 each but the Entertainment membership entitles you to \$20,000 worth of valuable 2 for 1 deals and up to 50% off the best restaurants and hotels. 20% of every membership sold will go to the club.

Representing the Carnevale Committee Vince Belperio has had an email from CIC wanting to know our intentions regarding Carnevale in future. There will be a meeting for all interested members at 7.30 pm on June 4 at 3 Heather Court Paradise to sort this out.

PP Tony Uren said Dean Crook was very excited to win the golf tournament recently but it is the club golfers' duty this week to knock him off his perch, so we are looking for all the golfers to turn up at the Geoff Heath golf centre at 8.45 am.

Sandy Sumsion, a past member of our club and now with the Rotary Club of Roxby and AG for District 9500 said she was inducted into our club 17 years ago and had ten wonderful years as a member. She said this club is like a good wine, it just gets better and better and the fellows get more handsome. She moved to Roxby Downs about seven and a half years ago and she and her husband Craig helped charter a Rotary Club there. Her club has the most consistent number of new inducted members in district 9500. This is due to the transient nature of the Roxby Downs population. For example teachers come to teach for two years and then they leave town. They run a fabulous Christmas pageant for the community at the end of each November and they are the only service club in the area so they do what they can for the community. A couple of years ago she became an Assistant Governor of Group 8 of district 9500. In Group 8 they have the RC Port Lincoln, Whyalla, Port Augusta and the Roxby district. She feels that at her age [50 something] she couldn't come into clubs where members were older and had more Rotary experience and tell them what to do. Her strategy as AG was to bring more fellowship so she introduced a group 8 muster. For one weekend of each year they get together camping, or caravanning or staying in cabins or shearer's quarters. 35 people attended their first muster last year, and 49 attended their second muster.

Mateus Da Silva gave his last report at his last meeting to our club. He was observing activities inside the classroom. He visited Government House, attended the English Teacher conference at the University of South Australia, and today all the vocational training team and their team leader discusses what they have done and what they are going to do after this program. They are also going to visit Our Lady of the Sacred Heart College. He then gave a power point presentation showing his home and place of work in East Timor.

President Frank gave a talk on famous Rotarians for Rotary Information this week. The Famous Rotarians were Colonel Sanders the founder of Kentucky Fried Chicken, Sam Walton the Founder of Walmart, Neil Armstrong the astronaut, Thomas Edison the inventor, Prince Rainier of Monaco, Sir Winston Churchill, Walt Disney, Sir Donald Bradman and Luciano Pavarotti.

The attendance officer Lee Aldenhoven announced 81.6% attendance - **The gold Pot** raised \$35.60

AT THE ART SHOW WITH ELIZABETH & PAT R.

President Frank introduced Art show convenor Elizabeth Gagliardi as one of the hardest working Rotarians in our club. She joined the club seven years ago and has been director of Fundraising, and served on the Fellowship and Vocational Service Committees. She was the Carnevale convenor in 2013-14 and with her husband Eddy has been involved with many more Carnevale events. Now she has undertaken the huge task of Art show Convenor and had been working very hard organising, conducting meetings, liaising with the Campbelltown Council, and overseeing the many tasks for current Art Show.

Elizabeth Gagliardi: "Well I never would have thought I would be standing here doing a briefing on the Art Show.

I recall the year that Scott Nichols was Convenor, I was helping serving food, on opening night, and as I was approaching some Rotary members I felt as if they were talking about me.....well

Geoff Brett approached me, asking if I would be interested in being Convenor for the 2015 Art Show, well I just laughed and said not in a million years, all Geoff said think about it, and I agreed, I did not even get to the other side of the function centre, and was congratulated on being Convenor of the 2015 Art show.

Seriously, I have enjoyed the challenge so far.....I may not agree by the end of the Art Show, however we need to maintain the relationship with Council as the Art Show does enhance our profile within the Local Community as well as being a worthwhile Fundraiser.

Now getting on with it, This is the 32nd Annual Art Show and Sale, which began with the Transportation of the frames to Campbelltown Function Centre last Friday.....and this is when I was told its fun, my response waswhen does the fun begin. Saturday Jeff Blanco set up the Alarm system in the Marquee area.

Roster; First and foremost thank you to all those members and partners who have helped fill the roster by volunteering their services, many of you for extended hours over a number of days. The one thing I do emphasize about the roster is that it is important that you arrange your own substitutes if you are unable to fulfil your commitment. I simply will not have the time. This applies particularly to the sales and caretaker roles where we must have a minimum of three people in attendance at all times. A copy of the roster will be inside the sales instruction book together with member's phone numbers if needed.

Opening Night - Friday 22 May. I suggest you try to be there around 6.00 - 6.15. Sales will commence at 7pm and stop during the official opening at 7.30pm. They will then resume when formalities have finished. Invitations have been noted to this effect. Catalogues are \$3.00 on opening night. On the other days we are open to the public the Entry Fee is \$3 which includes a free catalogue.

Food is being supplied by Mazda Motors, and Organized by Jenny Neale.

I would like to emphasize, to those serving food try to keep circulating, and avoid delays in returning to kitchen for refills, most important that the Hot Food gets distributed before it gets too cold. It is also important that used glasses get returned to kitchen for cleaning and re use if necessary.

Other Matters: To comply with Risk Management, Incident and Accident Report Forms will be available in the instruction folder at the sales desk. Please complete in the event of any mishaps.

Sales. Please carefully read and follow the instructions on the cover of the Sales Receipt Book. All information is required as all purchasers get an invite to next year's opening night and we need these personal details, you only need to show \$ amount in figures, words not necessary. Deposit should be 10 per cent of purchase price or \$25 whichever is the greater.

In closing to all those who worked Friday night, and over the weekend setting up, acceptance and display Art Work, and most important to all those partners who as always provide their invaluable support throughout the whole show filing rosters

etc., we could not manage without you. Thank you all sincerely. I greatly appreciate your help and I really do mean that, as I would not have been able to manage without you.

If there are any Rotarians or partners that are able to be on standby, please contact me.
