Rotary Club of Galway

In 2012, the Galway Salthill Rotary Club launched a fundraising project for local Galway charities. With the full support of Galway City Council, a permanent limestone collection point has been erected at the famous ‘Kick the Wall’ location at the end of the Promenade at Blackrock. The collection point incorporates the slogan ‘Small Change, Big Impact’ which will hopefully motivate people to make their traditional kick a ‘powerful one’ through donating their small change to a local charity. The Salthill Rotary Club has been actively engaged in projects for the benefit of the local community since 1986 and have managed the "Kick the Wall" project for the past five years.

Rotary Club of Galway, District 1160 Chartered 1966 (25)members, meets  1300 Hotel Meyrick, Eyre Square on First Friday also meets Third Tuesday at 1800 Wards Hotel, Lower Salthill., P Pat Donnellan  S David Higgins.

Jessica: will compare the club and its activities from the start of the year to the end of the year. 2017 – 2018 Rotary Club of West Wollongong’s Goals

Helen Hasan announced that he daughter was expecting a baby. He husband had delivered the baby before the ambulance arrived. All are well, but Helen is still getting over it.

Jessica has prepared a comprehensive handout for all members present. Which captured the planning process for the year. She used the policy and procedures for each portfolio’s manual from the district. Strategic planning is extremely important for the club’s wellbeing. She went through the 10 Online Goals to support and achieve Citation. Youth involvement. RYLA Rypen
Involve community with a forum (Peace Oration)
Increase cash spent by 10%
Do a project with another club. Ride for Rotary, Wings over the Illawarra. RYDA.
Do a project with Corporate. Council BBQ, Mara meadows. Bunnings BBQ’s
Involve Media. RYDA, Wings over the Illawarra
Involve Rotoractors, Community Corps. RYDA
Register support for polio. We celebrate it, coin collection at shops.

The members thought they had done quite a good job in supporting most of the goals.

Jessica visited her own goals, she thought she had done pretty well. We have one new member and Barry Stevens has a number of potential members.

Tim has strived to keep all members informed. There are no outstanding fees.

When Angela Capri had to relinquish the secretary’s position due to work commitments, Joanne Glaser put her hand up and Jessica thanked both for their support.

Patrick Roberts asked how the committees would be formed. Helen Hasan discussed he thoughts on how she was going to structure our activities. Develop strategic goals and structure committees to suit. She would like to focus on internal, external and community focus. It will be a developmental process.

Barry Stevens was happy with the information evening and suggest we have a follow up for those who could not make it to the meeting. He plans to follow up on those who said they were interested in service work.

Marilyn Phillips said she did not have much to report, all the programs are organised in advance and all seems to flow well. Joanne will take it up next year.

Ken Potter said that RYPEN, Summer science, National Science Forum, RYLA went well. Unfortunately, we were unable to field a team for MUNA. RYDA is a collaborative project with other clubs. There are initiatives to seek government funding ($30,000) to save young people’s lives with this project.

Joanne Glaser enjoyed the Foundation Work, through the year. Peace Oration, Centurion, Hat day, Polio Plus all went well. Our work and the Foundations Objectives need to be recognised more outside the club.

Jessica also thanked Helen for her wonderful Public Relations work. Jessica spoke of her initiative of trying to open board business at a normal meeting, to include those who do not normally have the opportunity of attending.

Red wine was won by Brian Davis. White wine was won by Bob Armessen. The meeting closed at 7.45 pm
