PRESENTATION TO THE CLUB BY THE COMMUNITY SERVICES WORKING GROUP
This was introduced by Community Services Director, Ray Lee, who was immediately followed by Chair Patrick Roberts explaining the need for such a program to analyse, co-ordinate and distribute funds to relevant beneficiaries and create partnerships to encourage these groups to become more involved in the Rotary process.
Statement of Principle

The Club should preferably focus on ONE MAJOR Community Service project each year. The project should address a recognised community need and should offer mutual benefits to the community organisation and to the Club. The expected contribution of both parties should be discussed and agreed in advance of any project. The Club should develop criteria against which to assess potential projects and the Club as a whole should endorse the selected project.

Patrick Roberts, Rose Pope, John Erickson and Michael Crowley continued the presentation on how this will be implemented. All participated in a Q&A session on the topics raised.
